

Region H Coalition
Meeting Minutes

Subject	Region H Coalition Meeting	Date	August 15, 2019
Facilitator	Megan Craft	Time	10am – 1pm
Location	Oconee Fall Lines Tech. College	Scribe	Megan Craft
Attendees	See sign in sheet		
No.	Topic	Highlights	
1.	Welcome	Megan Craft welcomed everyone to the meeting.	
2.	Southern Linc intro	Lonnie Pate from Southern Linc came to the meeting to allow Coalition members to come talk to him if they were still missing devices, needed to update old devices, or wanted to get new devices for their facility.	
3.	WebEOC training	Frank Daniell lead the WebEOC training for Region H. We handed out the Quick Reference Guide to every facility on how to log in to WebEOC as well as Megan Craft created a username and password card for them to be able to easily access WebEOC. Frank trained everyone on how to sign in, post updates, respond to updates and put in your personnel time in WebEOC. He also added usernames and passwords to those facilities present that were not in the system.	
4.	Patient Tracking	Leah Hoffacker lead the Coalition in some Patient Tracking overview as well as informing them of SNS changing names to MCM. Leah provided detailed information for Region H partners to use the new app and all patient tracking information provided by the state. PowerPoint posted on GHA.	
5.	Working Lunch	Group grabbed lunch and brought back to the room to begin next portion. Lunch was provided, and catered by Surchero's Tex Mex Restaurant.	
6.	GHA911 Update	Adrienne Feinberg gave her quarterly Coalition update. She gave partners all upcoming meeting dates, exercise dates and information about expired patient tracking devices- Motorola's (can now use I pads) She also reminded Coalition of Ebola deadline spending- 6/30/2020	
7.	EMS/RCH/EPI	Megan Craft gave the EMS, RCH and EPI updates to the Coalition due to members not being able to attend. EMS- Hazard Mitigation funds letter should be received this week to those that filed. Bill Laird is now Laurens County EMA Director. RCH-new Budget year. 152,000 to spend by June 2020. Waiting on final approval from DPH and UGA to begin spending. First purchase for Coalition budget will be Patient go pouches for Nursing Home Kits and Oxygen Generator Manifold System. EPI- Flu season is upon us! Wash hands!! Ebola, ask travel questions, keep it on your radar as well as HEP A.	
8.	Training & Exercise Planning	Megan Craft went into more detail about the 2019-2020 budget year. Projects that will be done within this budget, as well as purchases. Also informed of classes that will be held this year and Ebola purchases that will be made for the final year of	

		<p>Ebola funds! Main classes this year are Water Filtration System course, Facility Evacuation for Healthcare Managers, ICS 300-400, Basic & Advanced Healthcare Emergency Management, Medical Countermeasure POD planning, Everbridge Training and hopefully a Pediatric course.</p> <p>Upcoming meetings/ exercises: Mutual Aid- 9/13/19, IDN Full Scale Exercise- November 4-8.2019, National Healthcare Coalition Conference (sending 5 people) to Houston Texas Dec 2-5, Statewide Full Scale MCM Exercise 03/24-26/2020, Chatham hurricane conference 04/14/2020 sending 10 people, EMAG- 04/15-17/2020 sending 20 people this year!
